

PRAYER FOR THE 12TH CFM/CFSM ASIAN CONFERENCE 2022

Heavenly Father, as we pray together in Your name from our different countries:

Bless our preparations for the Asian Continental Conference, that we may both proclaim Christ and foster religious harmony in predominantly non-Christian Asia.

Fill us with your Holy Spirit and help us understand and embrace the way of interreligious dialogue.

Let Your saving grace infuse the souls of all people and inspire all to take the righteous path.

Nurture the bonds of community between us and the followers of other faiths, that our lives may become a dialogue in which all are spiritually enriched.

Give us the opportunity to promote your Kingdom in word and action that all families may experience Your love and mercy.

Let us find in You our unity so that we may journey together as families to eternal happiness with You. Amen.
